Letter only.

5401 Black Street,
Pittsburgh, Penna.
February 12, 1918.

Mr. Henry Chapman:

Understand that you have written to a party in this City advising that you have a card in your rack made out in my name and endorsed by him. Just want to tell you have nothing of the sort. I have had no dealing with you whatever and certainly have not sent you any card endorsing or recommending me to you. Don't know what charges you speak of from New York mean but can't see how you are interested. Kindly do not bother my friends by writing them when you are not at all concerned. Thank you.

Yours truly,

H. D. Gibbs
